Universidad Autónoma de Baja California Facultad de Ingeniería Arquitectura y Diseño

Ingeniero en Software y tecnologías emergentes

Materia: Programación Estructurada / Clave 36276

Alumno: Antonio

Matrícula: 372576

Maestro: Pedro Núñez Yépiz

Actividad No. 9-3/4 : CURP (ANEXO)

Tema - Unidad 5: arreglos y Cadenas

Ensenada Baja California a 22 de octubre del 2023
